SPONSORSHIP OPPORTUNITIES

The PCF began in 1998 as the White Rock-South Surrey Community Foundation. It was established by a group of local business people who wanted to leave a lasting legacy in the Semiahmoo Peninsula community.

Your sponsorship will support the cost of the tournament and PCF's annual operating costs. This year we aim to have enough sponsorships to hire a part-time assistant as we aim to grow and become more recognized as an opportunity to provide a lasting legacy for our community.
